THE CORPORATE ANOINTING Pastor Trey Dickerson

If there is one thing the devil is absolutely terrified of, it is the anointing. This is, in fact, the reason Satan fights against those who grab a hold of the truth and actively seek God. He fights against those who read their Bible, pursue God in prayer, and are putting their hand to the plow because he is afraid. Afraid of what, you might ask? He's afraid of the one who gets a hold of the truth and begins to walk in the anointing of God. Why? Because the anointing of God can destroy in a "nano-second" what he has been working on for years. For example, he might have kept someone in physical or emotional bondage for years and then the anointing comes on the scene and suddenly destroys that yoke! Hallelujah! This is what Satan is terrified of!

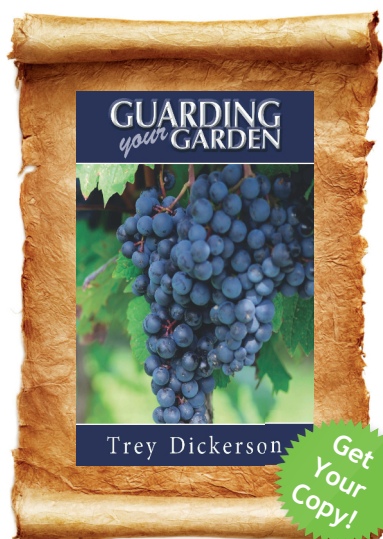

Friends, the 133rd Psalm prophetically declares to us that there is a corporate anointing for the body of Christ, and when we dwell together in unity –putting aside our cultural and doctrinal differences while also laying down our pride and insecurities for one common purpose and one common goal – it is a good and pleasant thing!

When we join together as the body of Christ, that oil of the Holy Spirit can then flow from one part to the next, from top of the head down the edge of the garments. Amen!

So it is no wonder why Satan fights unity so much! It is because He fears the corporate anointing and he is afraid of a body of believers who might join together with one common goal. This is why you see church splits, division in the community,

A Word From Shannon

2 Corinthians 3:17 says, "Now the Lord is the Spirit, and where the Spirit of the Lord is, there is liberty (emancipation from bondage, freedom)."

Wherever the Spirit is Lord, that's where there is freedom. Where He is welcomed as supreme in authority, that is where you will find freedom and justice for all. There is no revelation, vision, joy, peace or freedom without the Holy Spirit. He is worthy to receive our reverence, affection,

faith, love, devotion, and complete surrender. Expect the Spirit to be intimately involved in your life, and respect and invite His presence. The Holy Spirit desires to be in close fellowship with you. There is an overflowing life of adventure to those who embrace His awesome fellowship.

Are you experiencing this extraordinary satisfaction of the Spirit? If not, ask the Holy Spirit to show you what you can do daily and more freely abandon yourself to His friendship. He permanently abides in you to strengthen, encourage, and guide. Go to Him anytime, anywhere. You are free to be yourself with Him.

("The Corporate Anointing" continued)

and an escalation in divorce. It is because his number one goal is to divide! For as the Master taught us, a house divided against itself cannot stand.

I want us to now consider Genesis chapter 11 and see an example of how Satan inspired an event called the Tower of Babel:

In Genesis chapter 11, we have the story of a man named Nimrod, and this man had a plan. He and his people decided they wanted to make a name for themselves. So they planned to build a tower that would reach to the heavens lest they be scattered across the earth. Well, God saw what they purposed in their heart to do and came down and divided their language because He said, *"Indeed the people are one and they all have one language, and this is what they begin to do; now nothing that they propose to do will be withheld from them."* Friends, that is such a powerful statement! God was basically saying something similar that came out of the mouth of Jesus when He said that nothing shall be impossible for those who believe. And why was there the prospect of this people accomplishing anything and nothing being impossible for them? It was because they were one! It was because they all had one language! It was because they had tapped into a spiritual law that when a people become one and they pursue a common goal- with one mind, one mouth, and in one accord- nothing shall be impossible of them.

So if this is a true principle for Satan and the ungodly, how much more do you suppose this will work for the body of Christ!?! I guarantee you that if it works for them tenfold; it will work for us a hundredfold! Amen?

And, as a matter of fact, we already saw it work in the Book of Acts in two places (chapters 2 & 4):

In Acts chapter 2, we see how when the disciples were gathered together in the upper room in one accord, that the Holy Spirit filled that room like a rushing mighty wind and what appeared to be tongues of fire sat on each of them. Then in Acts chapter 5, as the disciples were gathered together and prayed in one accord, the place where they were assembled began to shake.

Friends, in both of these accounts, we see Psalm 133 fulfilled! When they gathered together in that upper room, the Holy Spirit – the Anointing Himself – came upon each one of this royal priesthood and took ordinary men and women and made them extraordinary! That oil was poured out on them and was mixed with those tongues of fire and

they became the light of the world. Hallelujah! They became that golden lampstand filled with oil and with fire at the wick to burn bright in this dark and perverse generation. Then a couple of chapters later, that timid body of believers began to lift up their voice and the power of God physically began to shake the building. This, in turn, filled them with the anointing of God Himself and shook them up, stirring up great boldness in them.

But how did it all start? As they were in one place and in one accord!

So, I encourage each of you to do the same. Make unity the priority in your family, your church, and in everything else you are a part of. This is where the anointing is found! This is where the power to be the lights of the world is released.

Lord, may we, as the lights of the world, burn bright for your glory!?! May all of our families, business', ministries, churches, etc. be golden lampstands in our respective communities!?! Amen and amen!

Victoriously,
